DIV. OF OIL, GAS & MINING

Subject: Proposed Assessment for State Cessation Order No. CO-2009-17-04, Nielson Construction, Nielson Limestone Mine, S/049/0052, Utah County, Utah

Response Due By: 30 Days of Receipt

Dear Mr. Nielson:

The undersigned has been appointed by the Division of Oil, Gas & Mining as the Assessment Officer for assessing penalties under R647-7.

Enclosed is the proposed civil penalty assessment for the above referenced cessation order. The cessation order was issued by Division Inspector, Lynn Kunzler, on September 17, 2009. Rule R647-7-103 et. seq. has been utilized to determine the proposed penalty of \$308.00. The enclosed worksheet outlines how the civil penalty was assessed.

By these rules, any written information, which was submitted, by you or your agent within fifteen (15) days of receipt of this Cessation Order has been considered in determining the facts surrounding the violation and the amount of this penalty.

Under R647-7-106, there are two informal appeal options available to you. You may appeal the 'Fact of the Violation', the proposed civil penalty, or both. If you wish to informally appeal you should file a written request for an Informal Conference within thirty 30 days of receipt of this letter.

The informal conference will be conducted by a Division-appointed Conference Officer. The informal conference for the fact of the violation is distinct from the informal assessment conference regarding the proposed penalty.
